## A Year of Restoration and Healing

*What does the Bible say about Restoration?*

Restoration in the Bible is equal to healing, repairing, and returning to a previous state of being. Psalm 51:12 says, *"Restore to me the joy of your salvation, and uphold me with a willing spirit."*

In 2020, we were presented with many challenges, some of which we had no control over, and others because we may have strayed from steadfast faith and obedience to God's commandments. Nevertheless, there are numerous Scriptures about *restoration* that we can look to during our 21-Days of Prayer & Fasting for inspiration and for renewal in our lives.

Please join us as we seek the Lord during this special time of prayer fasting.
